

WELCOME TO AYESHA ALI ACADEMY

**A CBSE Senior Secondary Co-Educational School
(Affiliated to CBSE, New Delhi)**

Affiliation No. 730109

The Vision

To impart quality Education to turn student's dream into reality

The Mission

- To Engage, Educate and Empower wards enabling them to seize the world of opportunities through education.
- To provide a quality, value-based learning and smart learning Environment for Competitive Exam Coaching.

Message from the Chairman

In pursuit of our mission to provide quality education to all members of our society, akin to what I envision for my children, Ayesha and Ali, we are dedicated to establishing a distinctive educational institution. This institution boasts world-class infrastructure, top-notch facilities, and a highly qualified faculty and staff.

I am delighted to announce the nearing completion of the Higher Secondary block (PACE Building) at Ayesha Ali Academy.

Founded in 2018, Ayesha Ali Academy is currently affiliated with CBSE and is in the process of obtaining affiliation with the IB curriculum.

The AAA SMC (School Management Committees), largely composed of current parents, plays a crucial role in the institution's operations. We strive to meet the high expectations of society and parents alike, aiming to nurture the individual strengths and skills of every child, empowering them to achieve their passions and goals. Our ultimate goal is to prepare students to be productive, effective citizens, and leaders in the global community.

Despite facing unprecedented challenges in our four-year journey, including disruptions due to the Kashmir shutdown in 2019 and the global COVID-19 pandemic, we persevere. While this year posed difficulties in launching the NEET/JEE/IIT Program and recruiting faculty from outside the state, we proudly welcome Dr. Pasha as our new principal. With his vast experience, we are actively recruiting faculty for senior secondary and pre-primary classes.

The Ayesha and Ali Padder Foundation will persist in awarding numerous merit and need-based scholarships to AA Academy students.

It is crucial to reiterate that AA Academy is not affiliated with any religious, sectarian, political, governmental, or Non-governmental organizations. The entire project is funded personally by me.

I maintain unwavering faith in God that helpers will emerge from various quarters to fulfil our vision and dreams.

Dr. Feroz Ahmad Padder, MD, FACC, FSCAI
Chairman, AA Academy

Message from Principal's Desk

Greetings and welcome to Ayesha Ali Academy, Kulgam, Jammu and Kashmir, a distinguished institution founded in 2018 as a unique school dedicated to providing quality education. Nestled in the heart of Kulgam town, our school offers a picturesque view of nature, creating a true paradise for learning that reflects the spirit of the Kashmir valley.

Undeterred by any challenges, we, at AAA, have consistently pursued excellence in all our endeavours, guided by the belief that there are no limits to what we can achieve. Our academy is a labour of love and passion, fostered by a deep sense of trust among all stakeholders.

Over the years, Ayesha Ali Academy has established itself as a progressive and forward-looking institution, growing not only in scale but also in building brand equity. Our campus, designed to nurture an ever-increasing student body, emanates an atmosphere of warmth, making it feel like an extension of home.

As you step onto our campus, you will sense the energy and excitement that thrives in an environment of high motivation and commitment, fostering flexibility and encouraging new ideas and thoughts.

What sets every AAA student apart is the confidence to think independently and communicate effectively. We believe in unlocking the best human potential by providing a safe and caring environment. Our commitment to instilling good values is evident in our actions, as we offer ample opportunities for our students to grow and evolve.

At Ayesha Ali Academy, we value and respect the work we do. The work environment is congenial, providing both faculty and students with creative freedom. While embracing technology-enabled learning, we uphold high benchmarks and are mindful of our responsibility to all stakeholders. Our school envisions a beautiful world away from the ordinary, with higher goals and aspirations on a global scale.

Every morning, we challenge ourselves to ask whether we are dragging ourselves to school or eagerly anticipating yet another day of learning, growth, and evolution. The answer, for all of us, is a resounding affirmation.

Once again, welcome to the portals of this blessed institution we fondly call our second homes. Join us on this joyous journey together as we continue to learn, grow, and evolve.

Dr. Amjad Pasha, M.Sc, M.Ed, M.phil, P.hD
Principal, AA Academy

About AAA

The Academy is one of the premier institutions in the valley, with Central Board's curriculum. Since its inception in 2019, our goal has been to encourage the growth of responsible young leaders equipped with intellectual skills, social abilities, and strong values to shape the world's future. As the torchbearers of Education, we spare no effort in providing an extraordinary learning experience to our students. The Academy aims to provide uncompromising emphasis on quality education with an ambitious plan for the future.

“ABOVE & AHEAD” – The slogan of the Academy with the mission to be one of the top institutions in the region by the end of 2027 and the preferred destination for the best students, teachers and educational innovators.

The backbone of the School is the innovative, versatile, and technologically advanced curriculum. Excellence in Education is more than a motto here. Students are given optimum exposure to develop their personality in the mental, physical, cultural, ethical and spiritual realms.

Reasons Why to Choose AAA

1. Experienced and CBSE-trained faculty together with the IIT team.
2. The only School with Robotics and other labs-ELT, Science lab, Math Lab, and ICT Labs.
3. 39 Smart classrooms coincide smartly with the outer world.
4. Appealing and well-knit infrastructure.
5. Sajida Memorial Library is a knowledge hub with more than 7000 books.
6. Scholarships for economically weaker students.
7. Counselling sessions, maintaining a balance between Academics and Mental Health.
8. Co-curricular platform– spacious playground with Outdoor and Indoor games.
9. Extracurricular activities– Debates, Discussions, Seminars, Counselling sessions, and Skill- Development Workshops.
10. School with transport facilities specifically in Districts Kulgam, Shopian and Anantnag.
11. Safe and secure CCTV-enabled Campus and 24× 7 Security staff for healthy supervision.
12. Medical assistance for all under the care of onsite trained nursing staff.
13. Regular assessment through PTM.
14. Introduction of the third-party committee– SMC to mentor the progress of the Academy.

Faculty

- We have a robust recruitment process consisting of written tests, interviews and demo classes.
- Every member of Ayesha Ali Academy is well trained and exposed to latest teaching methodologies to help and guide students in their scholastic and co-scholastics.
- Well trained faculty exposed to get ranks at both Board and Competitive Examinations (Foundation and NEET and IIT faculty).
- There are 124 staffers including teaching, non-teaching and ground staff. We have 62 well-qualified, experienced, and talented teachers. However, B.Ed. and post-graduation is the basic qualification for the teaching faculty. There are three Ph.D. and 16 M.phil scholars who are currently working as teachers at AAA. They impart significant education based on

the taste of research, innovation, and creative ideas. They give genuine thrust and impetus on experiential learning so that there may be the acquisition of empirical development in knowledge. In addition to this, we have nine teachers with M.Ed, 4 teachers with NET/SET, one teacher with Special Education, and 6 teachers with CTET. The main traits and superlatives of our teaching faculty are as:

1. Time management
2. Problem solving
3. Leadership
4. Variety of teaching methods
5. Emotional intelligence
6. Techno-oriental
7. Respectful attitude
8. Cross-disciplined tactics
9. Lifelong learning
10. Strong work ethic

Research and Development

- Regular training sessions on teaching and learning aspects based on the pedagogy, concepts are conducted in the campus to upgrade academics.
- Technology integrated learning, Educational Technology, STEM Education, Coding and Decoding, AI, to enhance the Academic Excellence.
- Workshops on micro-teaching, lesson planning, NEP 2020.

House System

Advantages of House System:

- Encouraging team spirit and sportsmanship in every student.
- We are strengthening the skill to adopt effective winning strategies.
- Participation in the various House activities prepares students to face challenges.

About Padder Foundation

AYESHA ALI PADDER FOUNDATION is a non-profit educational & social organization primarily focusing on the underprivileged. The foundation provides scholarships, student financial aid services, awards etc. It also includes funding for a broad range of community-based activities (Disaster, Covid and Marriage reliefs). Around 15 such marriage assistance funds are distributed each year under Sajida Marriage Fund. In year 2020-21 during Covid pandemic, 2250 Food Kits/Packages were distributed among under privileged. Near about 90-100 oxygen concentrators were also distributed to Covid Patients. The foundation grants hundreds of merit and need-based scholarships to the students of AA Academy.

Scholarships

Ayesha Ali Academy provides financial assistance to EWS students through scholarships, including free tuition, books and uniform. During the session 2023-24 Scholarship was provided to 78 students with **100% Scholarship to 18 Students; 75% Scholarship to 6 Students; 50% Scholarship to 48 Students and 25% Scholarship to 6 Students, respectively.**

CURRICULUM

Foundational Stage (Fledging Stage)

Pre Primary to Grade 2

5 Years (Age 3-8)

Introduction to AAA Foundational Stage

We at AAA believe in adhering to a curriculum framework that is consistent with the vision of the National Education Policy. The vision of the National Education Policy 2020 is to change the education system in order to contribute to an equitable and vibrant knowledge society by providing High-quality education to all. Preschool education envisions promoting universal, equitable, joyful, inclusive, and context - specific learning opportunities to ensure the holistic development of all children aged 3-8.

Vision in Achieving

In our vision for the future of early childhood education, AAA students will be enriched and supported with the tools they need to compete globally. We provide a safe environment for children to play while their parents are at work or school, we create a space for children and adults to participate in a variety of activities and reach their full potential, and we provide a place for children to learn life skills.

Preparatory Stage (Watering Stage)

Grade 3 to Grade 5

3 Years (Age group 8-11)

Introduction to AAA Preparatory Stage

The Preparatory Stage under the National Education Policy will cover school education from class 3-5 with a focus on experimental learning. It will cover the age group of 8-11 years. The focus would shift to play, discovery and activity-based and interaction classroom learning.

Vision in Achieving the NEP

Creative imagination, with sound ethical moorings and values. It aims at producing engaged, productive, and contributing citizens for building an equitable, inclusive, and plural society as envisaged by our Constitution. A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution and that's what you experience in Ayesha Ali Academy Centre for Excellence. However, at the same time, there must also be seamless integration and coordination across all stages of education.

Middle Stage (Blossoming Stage)

Grade 6 to Grade 8

3 Years (age group 11-14)

Introduction to AAA Middle Stage

The Middle Stage comprises of three years of education. It builds on the pedagogical and curricular style of the Preparatory Stage. The introduction and discussion of abstract concepts is done in this stage. It helps in preparing students across various streams. Experiential learning is explored in relations with different subjects.

Vision in Achieving the NEP

1. To develop scientific temper
2. To take the education journey from capacity to capability
3. To equip children with 21st century skills
4. To create a Holistic and Multidisciplinary education

Implementing Secondary Stage

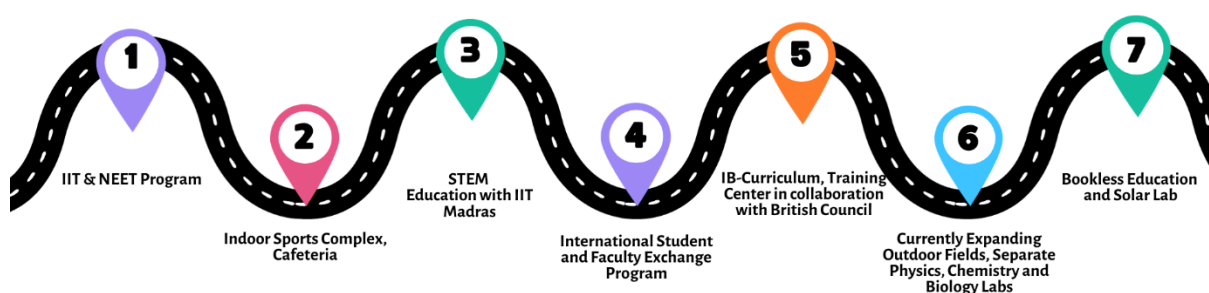

The secondary curriculum is learner-centered with school being a place where students would be acquiring various skills; building self-concept, sense of enterprise, aesthetic sensibilities and sportsmanship. Therefore, for the purpose of fostering core competencies in learners, the curriculum in secondary encompasses major learning areas, from scholastic and co scholastic point of view.

Curriculum Framework

The Curriculum strives to:

1. Provide ample scope for physical, intellectual and social development of students.
2. Enlist general and specific teaching and assessment objectives.
3. Uphold Constitutional values.
4. Nurture Life-Skills by prescribing curricular and co-curricular activities.
5. Integrate innovations in pedagogy, knowledge and application.
6. Promote inclusive education.
7. Integrate environmental education in various disciplines.
8. Equally emphasize Co-scholastic areas of Art Education and Health and Physical Education.
