NOTE: Ayesha Ali Academy prioritizes a fair and transparent admission process. This includes the creation of a selection list based on merit and the establishment of a waiting list for students who meet the admission criteria but are not offered a seat due to limited capacity.

If a parent/guardian offered a seat on the selection list chooses not to admit their ward, the following rules will be implemented:

- The school administration will contact the parents/guardians on the waiting list in the order of their ranking.
- The school will inform the waiting list candidate(s) about the available seat and provide details regarding the admission process.
- A reasonable deadline will be given to the contacted candidate(s) to confirm their acceptance of the offered seat.
- If the first candidate(s) declines the offered seat within the deadline, the school will proceed to contact the next candidate(s) on the waiting list, following the same procedure.
