NOTE: Ayesha Ali Academy prioritizes a fair and transparent admission process. This includes the creation of a selection list based on merit and the establishment of a waiting list for students who meet the admission criteria but are not offered a seat due to limited capacity.

If a parent/guardian offered a seat on the selection list chooses not to admit their ward, the following rules will be implemented:

- The school administration will contact the parents/guardians on the waiting list in the order of their ranking.
- The school will inform the waiting list candidate(s) about the available seat and provide details regarding the admission process.
- A reasonable deadline will be given to the contacted candidate(s) to confirm their acceptance of the offered seat.
- If the first candidate(s) declines the offered seat within the deadline, the school will proceed to contact the next candidate(s) on the waiting list, following the same procedure.

"There is no secret to success. It is the result of preparation, hard work, and learning from failure." - Colin Powell
