

## WORKSHEET- Grade 6

### Case Study

1. Imagine you are village sarpanch and have to ensure that every child in the village attends school regularly. What steps would you take for the same.
2. Write a report on the occupation practiced by your parents. Cover the following points in your report-
  - a. Which type of economic activity is it?
  - b. Where is the job located?
  - c. What kind of education or skills have they acquired to get their job?

### Project-based questions

3. Make a model of the life of early humans, including the tools they made, the food they ate, their homes, clothing, use of fire, wheel, etc.
4. Create a colourful map of India on chart paper and show the country's rich diversity by marking different states and adding drawings or pasted pictures of traditional dresses (like saree, salwar kameez), popular foods (idli-dosa, butter chicken, dal baati), festivals (Diwali, Eid, Bihu, Onam), and religious cultures. Label each example with the state name and a short sentence. Add a small "Unity in Diversity" corner explaining how all these differences make India special.
