END TERM- PTM

26th March 2023

On March 26, 2023, a parent-teacher meeting was held during which end-of-term report cards were distributed and parents were contacted.

When we observe the parents' supportive behaviour towards their children, we are pleased. We think that the bond between a child's teacher and parents is the key to helping them overcome all of life's obstacles.

We must support our kids' careers fully and put our faith on us. A teacher is second to parents in wanting to see their student succeed in life.

"Evaluating a child's academic development and identifying remedies for any behavioral or academic issues"

TEACHER'S CORNER

"Trying to be someone else is the waste of person you are, try to be what you are, imitation is suicide

كَمَا كُتِبَ عَلَى الدِّينِ مِنْ قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ (البقره)

اے ایمان والو تم پر روزہ فرض کیا گیا جس طرح تم سے پہلے (امتوں کے) لوگوں پر فرض کیا گیا تھا اس توقع پر کہ تم (روزہ کی بدولت رفتہ رفتہ) متقی بن جاؤ۔
