

Office of the Executive Engineer, Special PHE Division Kulgam.

To whom it may concern.

No. 114/876

Dt. 21-06-011

As reported by concerned Asstt. Ex. Engineer, there is no pipe line near the proposed construction but our laid pipe line is very far away from the said construction. Hence this Department has no objection for the construction of Ayesha & Ali Academy Foundation school at the proposed place.

Executive Engineer,
Special PHE Division Kulgam
