Instructions:

- *In the case of cellular shutdown connectivity issue/s, the examination for the affected paper/s shall be conducted on immediate succeeding day/s, w.r.t the availability of e- services.*
- *Download and share your admit card with the assigned HRT only as necessary and sufficient for appearing in the examination.*
- *The time duration for each conversation, in all aspects, shall be followed strictly.*
- *Absentee shall be treated as a cancellation of the paper and no rescheduling will be considered thereof.*
- *A student has to be available before 30 minutes of the commencement of the examination with all the necessary items in place.*
- *The examination will start in phases as mentioned above.*
- *The oral assessment will consist of Multiple Choice Questions and each question will have 4 responses of which only one is correct.*
- *Student/s can flip the question if not understood and an alternative will be asked for the same.*
- *The students will be intimated for the oral assessment in advance as mentioned in phase-I, Phase-II and Phase-III.*
- *All the intimated students will be assessed through the e-communication.*
- *The parents/ guardians are required to render guiding or participatory assistance only to the wards in attempting the oral assessment and no more prompt at any case.*
- *The regular academic schedule will be followed after the completion of examination on the given date.*

Regards!
