WELCOME NOTE FROM CHAIRMAN

In pursuit of excellence, Ayesha Ali Academy was founded in 2019 with the vision of providing world-class education in Kulgam. Today, Alhamdulillah, we are proud to be among the select schools in India, and the only one in South Kashmir, affiliated with Cambridge International Education For Early Years and Primary. With the legacy of the University of Cambridge (est. 1209) and Cambridge International (est. 1858), our children now step into a globally benchmarked curriculum that builds confidence, innovation, responsibility, and critical thinking.

PRINCIPAL'S DESK

Dear Parents,

It gives me immense joy to welcome you to Ayesha Ali Academy at this exciting new chapter of our journey. Since its inception in 2018, AAA has strived to provide holistic education that nurtures not just the intellect, but also the character and spirit of every child.

With the proud affiliation to Cambridge International Education, we are now part of a global learning community. This step brings world-class standards to Kulgam, ensuring that our children grow as confident, responsible, innovative, engaged, and reflective learners. The Cambridge Early Years and Primary curriculum focuses on curiosity, conceptual understanding, and skill-building rather than rote memorization, making learning a joyful and stress-free journey.

At AAA, every child is encouraged to ask questions, think critically, and explore their unique potential. Alongside academics, we remain committed to values, creativity, co-curricular activities, and character building. We also emphasize continuous teacher training, so that our faculty is always equipped with the latest pedagogical strategies and connected with international educators worldwide.

Our mission is simple yet profound to prepare our students not just for exams, but for life. With the support of our dedicated staff and the trust of our parent community, I am confident that we will continue to shape futures and inspire excellence.

CBSE

Ayesha Ali Academy is proudly affiliated with the Central Board of Secondary Education (CBSE), catering to the educational needs of students with an unwavering commitment to quality learning. We firmly believe that every child is born with unique capabilities and immense potential, which must be nurtured in a child-friendly, inspiring environment so they may blossom into their best selves.

When young minds are nurtured and character is shaped, a nation is strengthened. Guided by this vision, our school follows a child-centered CBSE curriculum, enriched with diverse co-curricular and extra-curricular programs. Since its establishment in 2019, the Academy has taken remarkable strides toward excellence across all spheres of education.

At the core of our success lies an innovative, versatile, and technologically advanced curriculum. For us, Excellence in Education is more than a motto — it is a way of life. Every student is given ample opportunities to grow holistically — intellectually, physically, culturally, ethically, and spiritually.
